Little Rock School of Dental Assisting

The Leading Dental Assistant Training in Arkansas

Our Mission

The mission of Little Rock School of Dental Assisting is to prepare our students for a rewarding career by providing them with the basic fundamental skills of dental assisting through a hands-on educational approach by highly trained, experienced staff

*As a Registered Dental Assistant you will have the potential to make over \$35,000 a year!**

In Demand

The need for skilled Dental Assistants continues to grow. In just 10 weeks you too can earn a license and become a Dental Assistant in high demand!

Employment of dental assistants is expected to grow by 18 percent from 2014 to 2024, much faster than the average for all occupations. Ongoing research linking oral health and general health will continue to increase the demand for preventive dental services. As dental practices grow, more dental assistants will be needed.

Why We Are the Best

- We specialize in affordable training for dental assistants.
- Compressed into 10 weeks; focused on the skills needed by dental assistants.
- Modern classroom instruction; emphasizes practical hands-on clinical training.
- Training is in modern state-of-the-art dental facilities; equipment, instruments and materials actually used on the job.
- Training is stimulating, fast paced, and relies heavily on student participation.
- Instructors are experienced Dental Assistant Professionals best qualified to teach.
